

GET AHEAD WITH GEN Z

TESTIMONIALS

Relevant and informative

It was really relevant and informative and gave good understanding about the differences between the generations.

Fresh outlook

It gave me a different outlook on how to communicate with young people and a better understanding of what engages/motivates them.

Different perspectives

The workshop was easy to listen to, and it was good to have different generations presenting to give different perspectives.

Lots of great interaction

I thoroughly enjoyed yesterday's workshop. You make a great team in delivering the Generation Z information. I observed a lot of interaction with employers which was great to see.

Clarity of Gen Z values

It gave clarity of what young people value and how this carries through onto workplace ethics, remuneration, benefits and culture.

Great "walk the talk" examples

The presenters were excellent and gave us a good opportunity to interact and hear real Gen Z views and perspectives. Great "walk the talk" examples given.

Excellent mix of engagement

·Excellent overview of Gen Z, and the traits and trends they bring to the workforce. The mix of engagement and having a Gen Z presenting was excellent.

Good presentation and learning

·Really good presentation and easy to listen and join in. Great learning throughout. Good to see how we can make changes and improve our workplace so Gen Z and all new employees can benefit.
